

International Student Accommodation

Student Residence

Student residences are a great way for international students over the age of 18 to meet other students. Book early to avoid disappointment.

Homestay

Staying with a host family is a great way to get an authentic Irish experience. The Institute has a large number of carefully selected host families who provide a home away from home for our students preparing for the Leaving Certificate.

For a monthly fee of 900 Euros students receive the following:

- Breakfast and Dinner - Monday to Friday
- Breakfast, Lunch and Dinner - Saturday and Sunday
- Laundry service – 1 per week

Certain preferences (eg. diet, pets, etc can be facilitated if IOE is notified in advance).

Distance to IOE: Approx. 45 minutes
Price for Single Room: €900 per Calendar Month

Private Rental

Securing private rented accommodation in an apartment or house is challenging in Dublin as the student population is rising every year. However it can be secured if organised early.

The Institute can recommend the following websites to find shared or private rentals*:

- DAFT
www.daft.ie
- RENT.IE
www.rent.ie
- MYHOME
www.myhome.ie

*Note: The above sites can be a valuable source of accommodation, however precaution should always be taken when sharing personal or financial information. See www.daft.ie/content/safetyonline.daft for more information.
